

Masszymes

Crank Your Muscle Gains To New Heights By Transforming 1 Gram Of Protein Into 3 Grams

Thanks to new breakthrough ingredients, in protein digestion and amino absorption... you can flood your muscles with critical growth-enhancing amino acids... WITHOUT eating and drinking any more protein. It's truly like turning 1 gram of protein into 3 grams.

We're ecstatic to announce that we have developed the **strongest protease enzyme formula ever**: Masszymes.

That is NOT hype.

Our formula contains 100,000 HUTs of protease per capsule. There's not a single enzyme formula on the market that can compare. We literally looked at every enzyme label we could find and they all came up short.

Masszymes is the most powerful protein-digesting enzyme on the market. See the comparison chart below.

MassZymes 3.0 with AstraZyme™ Takes This to a Freakishly Strong Level

Here's the best part: as good as the original MassZymes Formula was (you can see how many strength leaders say so on this page)—we're REFUSED to rest on our laurels.

So we did extensive research and found AstraZyme™ to be THE single most effective way to multiply the potency of the formula, and provide you with even more muscle-building benefits, such as:

- **Increase your absorption of key amino acids**, like arginine, by up to 66.7% (key for blood flow, "pump" and testosterone)... citrulline (critical for fat-burning) by 45%... and tryptophan (essential for sleep, GH and recovery) by 52.5%
- **Boost your absorption of certain vitamins**, like folate, by up to 50%
- **Increase the joint-protecting benefits** of glucosamine absorption by 42%
- **Heighten your glucose absorption** by 55%, speeding muscle recovery
- **Repair damaged intestinal wall**, which is where most absorption problems occur
- **And lift your overall energy level** by as much 18%

Masszymes is a proteolytic enzyme formulation that contains a protease HUT level of 100,000 per capsule.[†] Masszymes has been formulated specifically for high performance athletes who train hard and consume high levels of protein.[†] These full spectrum enzymes are designed to be taken with your protein shakes and meals.[†]

Directions: Take 1-3 capsules with each meal and 1-2 capsules between meals. Store in a cool/dry location.

Caution: Keep out of reach of children. Do not use if ulcer or gastritis are present. As with any product, discontinue immediately if adverse effects occur. Please consult a physician before beginning any new supplement. To reorder, or contact us in the unlikely event of adverse side effects, visit: BioOptimizers.com

VERSION 3.0

250 VEGGIE CAPS

ADVANCED ENZYME FORMULA[†]

Dietary Supplement

Supplement Facts

Serving Size: 3 Capsules
Servings Per Container: about 83

	Amount Per Serving
Tri-Phase Protease (300,000 HUT) (endo- and exo-peptidases)	551 mg *
Protease 4.5 (Aspergillus oryzae ferment)	255,000 HUT*
Protease 3.0 (Aspergillus niger)	180 SAPU*
Peptidase (Aspergillus oryzae ferment)	15,000 HUT*
Protease 6.0 (Aspergillus oryzae ferment)	30,000 HUT*
Enzyme Blend	511 mg
Amylase (Aspergillus oryzae ferment)	22,500 DU*
Bromelain (Ananas comosus extract)	3,000,000 FCCU*
Alpha-galactosidase (Aspergillus niger ferment)	450 GalU*
Glucoamylase (Aspergillus niger ferment)	30 AGU*
Lactase (Aspergillus oryzae ferment)	3,000 ALU*
Lipase (Candida cylindracea (C. rugosa))	3,000 FIP*
Invertase (Saccharomyces cerevisiae ferment)	1,275 SU*
Malt Diastase (Aspergillus oryzae)	975 DP*
Phytase (Aspergillus niger)	9 U*
Pectinase (Aspergillus niger)	21 BNU-P6*
Hemicellulase (Aspergillus niger)	1,200 HCU*
Beta Glucanase (Trichoderma longibrachiatum)	9 BG*
Asirazyme™ (Proprietary blend of proteolytic enzymes with 105 mg extracts of astragalus/motoginseng and trace minerals)	

*Daily Value not established

OTHER INGREDIENTS: VEGETABLE CELLULOSE, RICE BRAN AND WATER
